

Jewish Foundation of Memphis Opportunities for Philanthropic Engagement

Legacy Society

The Jewish Foundation's Legacy Society recognizes individuals who have remembered their favorite local Jewish organization in their estate plan or have made a gift of \$10,000 or more to an endowment fund of a local Jewish organization.

Book of Life

Legacy Society members qualify to write a message for inclusion in the Foundation's Endowment Book of Life. This book, on prominent display in the Jewish Foundation's offices, contains messages from more than 100 local Jewish families who care deeply about the future of our synagogues, schools and social service organizations.

Fund Holders

Designated Funds

– Individual donors or groups of donors are encouraged to create funds that reflect their unique charitable interests, honor loved ones or express their desire to give something back to the community.

Donor Advised Funds

– These "charitable bank accounts" are a cost-effective and flexible way for donors and their families to become actively engaged in the rewarding art of grantmaking. More than 200 families have established these funds with the Jewish Foundation of Memphis.

B'nai Tzedek

The Foundation's award winning teen philanthropy program teaches our youngest philanthropists how to support their favorite charitable organizations in thoughtful and responsible ways. Through individual charitable bank accounts and a student co-op fund, students learn about different charitable organizations, learn how to advocate for organizations and issues that are important to them and learn how to leverage their own charitable dollars.
